

Special Notice to all Members WSLSC

Annual Membership Fees 2020/21

I'm sure this year will be one that all members will never forget, indeed many of us are looking forward to the coming summer season with the expectation of getting our lives and our Club back. Well, I have some great news to share with you.

At a recent Board meeting the Club Directors determined that we will offer all current members in season 2019/20, a fee waiver in full of annual membership fees for the coming 2020/21 season.

This means, that provided your membership was current in the 2019/20 season, you will enjoy a renewal membership for the 2020/21 season at no cost.

This decision was made in recognition of the understanding members have shown during the Club lock down, and that you have not been able to enjoy the beach and the Club in the usual way this year. We value your membership, and look forward to happy days in the near future.

Further, all new members joining the Club in season 2020/21, will be eligible for a 50% discount on membership fees. This is in line with the community based values of our Club, and the discount will apply for all membership categories.

The Board trusts you will be pleased with our decision, and rest assured the effect on the Club will be minimal.

If however, any member would like to voluntarily pay membership fees, please feel free to renew your membership in the usual way.

I look forward to summer, and to meeting up with friends at the Club again.
