

# Member Code of Conduct

Williamstown S&LSC

At Williamstown SLSC we want to create an environment where all members and their guests feel included, respected and safe. In support of this, all members and their guests are expected to comply with the following code of conduct when at the Club or participating in Club sanctioned activities. We are proud of our Club Values and our Member Code of Conduct seeks to support these values.

Every person: member, athlete, participant, coach, official, administrator, spectator, parent or other person involved with the club should:

- Respect the rights, dignity and worth of others including members and the wider community;
- Include every person regardless of their age, gender, sexual orientation, race, culture or religion;
- Be fair, considerate and honest in all dealing with others, and be a positive role model in the community;
- Support opportunities for people of all abilities to participate in activities associated with the club and develop to their full potential.
- Accept responsibility for their actions and behaviour;
- Uphold the reputation of the Club by treating the public with respect and communicating in a professional manner at all times;
- Contribute to the provision of a safe environment to the conduct of all activities for all members but especially those involving children and young people;
- Work to eliminate violent and abusive behaviour and provide protection from sexual harassment and intimidation;
- Be aware of, and adhere to LSV and SLSC standards, rules, regulations and policies;
- Abide by any relevant specific codes of conduct applicable to your role within the Club;
- Operate within the rules of lifesaving including national and international guidelines that govern LSV.

In addition to this Code of Conduct WSLSC fully endorses SLSC's Member Protection Policy which can be viewed here [www.lsv.com.au/wp-](http://www.lsv.com.au/wp-)
