Williamstown Swimming & Life Saving Club (WS&LSC) and Life Saving Victoria are committed to the health, safety and wellbeing of all its members and is dedicated to providing a best practice approach to ensure a safe environment for those participating in lifesaving activities.

Life Saving Victoria is a unique organisation that has multiple purposes including community service, sporting, education and leadership opportunities and programs. Each of these individual aspects inter-relate with each other. It is due to the multifaceted nature of lifesaving, that members 18 years of age who interact with children across a broad spectrum of activities are required to have a Working with Children Check (WWCC).

WS&LSC needs to be listed as an organisation and can be a volunteer or employee check.

You can apply for a WWCC at <https://service.vic.gov.au/services/working-with-children>
