

Board Supervisor

Purpose Statement

The Board Supervisor oversees the safeguarding of the board equipment used in the Nippers Education Program..

Roles and Responsibilities

The Board Supervisor will:

- Ensure they understand the club's Board policy.
- Oversee the set up and pack down of boards used in the Nippers Program.
- Train parents and nippers on how to hold the boards and place the boards on the beach in a manner that avoids damage to the equipment.
- Ensure that board wax is put on the boards before each Nipper session.
- Ensure that parents and nippers rinse the boards before returning them to storage.
- Ensure boards are packed away in the shed so that older boards are stored in the Schools Program location and the newer boards are stored away from the Schools Program location.
- Report any damaged boards to the Director of Junior Activities.
